June 20- Lifeline Screening at Una

Do you have high cholesterol or high blood pressure? Have members of your family suffered from these ailments? Do you have a poor diet? If you answer yes to any of these questions, you may want to consider being screened through the services of Life Line Screening. Life Line Screening uses ultrasound technology to view the plaque build up in your carotid arteries, the main arteries that carry blood to the brain. Blockages in these arteries are a leading cause of stroke. We are pleased to host this Life Line Screening event on 6/20/2019 at Una Church of Christ. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (\$139 with our member discount). All five screenings take 60-90 minutes to complete. In order to register for this event and to receive a \$10 discount off any package priced above \$129, please call 1-888-653-6441 or visit www.lifelinescreening.com/communitycircle or text the word circle to 797979.
