Maturing Servants

How do we grow and mature as servants? Ephesians 4 tells us that as we “build up the body” we will become unified and mature. Growing up means maturing and becoming more responsible. What are some practical things that we can do to make sure that we are maturing as servants?

Here are a few to consider:

- **Don't neglect your prayer time.** It is the breath of the soul.
- **Don't neglect your Bible.** It is your sword for conquest, your hammer for construction, your guiding light for dreary days.
- **Don't neglect your body.** It is the capital on which you are to do business for the rest of your life.
- **Don't neglect your mind.** It is your channel for reaching up to the very thoughts of God.
- **Don't neglect your laugh.** The Bible teaches that ‘a merry heart doeth good like medicine.’
- **Don't neglect your reputation.** It is the gold with which you will meet the demands of a complex civilization.
- **Don't neglect your influence.** It will point other people to the living God whom you serve.

Are you maturing as a servant?
