Are You Excited?

We get excited about many different things for a variety of different reasons. It is fun to watch people get excited. However, we need to realize that Satan enjoys it when we get excited about the wrong thing.

Why are you excited to be a Christian? Have you ever thought much about this? Paul, in his letter to the church in Ephesus gave us some reasons why we should be excited about being a Christian.

The Christian life should be a point of excitement for those of you who are living in Him. If we have barriers to this joy, let's work through them to experience the real excitement that comes from being in His church.

October Birthdays

Register for Walk4Water

Sunday, October 16th, 3:00 PM

Smyrna Church of Christ

Every day in developing countries, women and children walk an average of 4 miles to collect the water their family needs for the day. Not only does this chore keep their children from attending school, the dirty water they bring home is deadly. Currently, every 21 seconds a child dies from water-borne diseases, killing 6,000 children each day. Healing Hands International believes that **WATER IS LIFE**. Can you help in this fight? We invite you to join us in bringing **LIFE** through the gift of clean water to people around the world. How do I register?

1. Go to hhi.org/walk4water
2. Locate Smyrna, TN Walk4Water
3. Click on the blue "Register to Walk" button
4. Fill out the form, sign waiver and submit

Remember in Prayer

Joan King had surgery again last week to help prevent fluid from collecting around her lungs. The surgery went well and she was hoping to be home by the time of the printing of this bulletin.

Please continue to lift her up in your prayers.
