

# Una Church of Christ

## January 7, 2024

### Are you Excited in the New Year?

We get excited about many different things for a variety of different reasons. It is fun to watch people get excited. However, we need to realize that Satan enjoys it when we get excited about the wrong thing.

Why are you excited to be a Christian?

Have you ever thought much about this? Paul, in his letter to the church in Ephesus gave us some reasons why we should be excited about being a Christian!

The Christian life should be a point of excitement for those of you who are living in Him. If we have barriers to this joy, let's work through them to experience the real excitement that comes from being in His church.
