### Take a Moment

God has a plan for everyone. It's what He needs you to do. Your plan has much in common with other people, the things we all need to do. But your plan is unique also, the things God wants YOU to do. I know, there are many people on this planet but understand that God and the Word brought it all into existence. No problem having a plan just for you.

Jesus told Simon the Pharisee, speaking of the woman who crashed the party, "But the person who is forgiven only a little will love only a little." (Luke 7:47 NCV) The baggage you carry around is forgivable. Satan says no. The Spirit says yes. Let the Spirit convince you to drag that baggage up the Golgotha hill. Our repentance and Christ's blood will relieve us of baggage. You and the Spirit can't work God's plan for you if you don't ask Him to take the baggage away.

If you want to know how your Father responds to contrite sinners who place their baggage at the foot of the cross:

"The Lord your God is with you; the mighty One will save you. He will rejoice over you. You will rest in his love; he will sing and be joyful about you." (Zephaniah 3:17 NCV)
